Kotoko-chan is praying for something really really important Neh

Well, well, Yuuki

Kotoko, cut it out! Until when do you intend to continue praying with 100 yen!?

Well, don't raise much your expectations, Kotoko

This year it'll come true for sure, Kotoko-chan. I have a good feeling about it

Yuuki, what did you say?

Even if you pray for the same thing every year, it won't come true.

It's useless

*flinch

Everyone, do you know my wish ?

Oh, it can't be

Something like that

It doesn't matter

Hmph

Health? Studies? Or about your future? Or ..?

Ah, I'll take one too

Incredible, incredible. Th s is my first time

Oh no, mama. the managing directors were coming for New Year's greetings at 5 o'clock

Ohh, that's a problem. You have to go quickly

Ehh! Bad luck, huh

But they say it occurs the opposite when it's excessively bad

Is that so,?

Try taking it one more time, Onii-chan

I have a bad feeling about this year

And what about you, Onii-chan? Will you "notice the person you're waiting for" or "fina ly get engaged"?

...

Great Curse

Yes, sometimes you have to return home and say "Ahh, as I thought, being home is nice"

Oh no, it'll be a bother

Naoki, you return home too, Because they want to greet you as well

Don't say that

Hehe, Great Blessing. That's a great omen

Maybe good things will happen this year

Happy New Year

My best regards to you

yes

this is

this is

Hm, congratulations, my best regards to you this year too

Ahh, Naoki, come here

By the way, where's your son, president?

But he still isn't like a company president

Ahh, Iri-chan became such a decent guy

Thank you for saving our company last year

Happy New Year

Thanks to you, the " God Pegasus" popularity d an't decline

Ohh, Naoki-kun

Happy New Year

very rich, uh Incredible

Uhn, maybe a son is more prominent

You're so young, but you're already a very rich person

Is that so?

We'll start receiving the royalties this year

That's wonderful

Our company will be waiting eagerly for you

Now, we've already recovered 2 times when you graduate, please, come to us.

Oh, Oh, I remeber your face

The meal is ready

Ahem

Yes, yes. You were famous for making a lot of mistakes

Do wa ha ha !!

Even more than us, the female employees are looking forward to see you

Thanks, but I'm still thinking about it

It seems Naoki-kun is really popular

Wahahaha Oh my, oh my!

Excuse me. Hey, Irie-ku

Ahh, your wife's meal is delicious

Then, drink at least some sake

*Grrr

I'm going back

Ahh, Wh... What are you doing?

*Slam

Really,

We couldn't be together at all

I'll be back on the coming-of-age celebration day

Irie-kun!

See you

If I remain here, I'll only be made a drinking partner

B-But, it's the long-awaited New Year

Give my best regards to everyone

It seems things became noisy around Irie-kun

*woof

*woof

Will Irie-kun go to Oji-san's company?

On this year

What will come out of this?

Sorry, Kotoko

Yeah, you have no idea how lonely and miserable I felt that day for spending Christmas all alone

oh my

Well do anything

As an apology, We'll treat you a meal

Although it's the school cafeteria

Eat as much as you want

As if...

That Kotoko was left all alone on Christmas

We didn't know,

We're reflecting about it

We intended to invite you, but we thought you were going to spend Christmas with that Oji-san

Thanks to that, I was able to spend christmas together with Ine-kun (although nothing happened)

Well, they did something unforgivable, but,

にや

にや

Ko. . Kotoko?

I won't make arrangements with you anymore, because I'll be betrayed

By the way, Kotoko. Next week is the coming-of-age celebration, what will you do?

Ah no, but everyone is going to separated meeting places

Then, could I ask for Spaghetti?

Kin-chan, Spaghetti please

yes

You'll get fat

Coming

Well, since I have an open heart, I'll forgive you this time

Please, take care from now on

Yes, thank you very much

Ah, that's fine, just go with Irie-kun

Since I have a certificate of residence now, maybe I'll go to Setagaya

Be a good woman and wear fine clothes

Didn't your Oji-san buy you some?

I wonder if my first crush will come

Something like a class reunion of the people from the elementary and middle schools

I see, like the local public hall

Then, Kotoko, to which meeting place will you go?

I feel nostalgic about the times they talked a lot about the F class

That was fast, we have a ready 20 years

The coming-of-age celebration, huh

Kin-chan, an ice cream and some coffee, please

Yeees

We ... We were just joking

ah

あはははは *Ahahahaha

The only thing that didn't change was Kotoko's one-sided feelings

You see, last year's christmas, Sudou-san gave a party and nobody came

And then, his pride seems to be hurt

I was the only one with him, that was awful

Talking about it, I remeber he saying something like that

Eh, was there something like that?

It's because we didn't come

What happened? We'll be killed

*ahh

Eh

But I heard "Was there someth ng like that?", was it my mishearing?

It was something I started alone. But I want it to continue growing up with your power

Kotoko!

ah!

stare

What's with you? You've been sighing a lot lately

Were you dumped by Irie-kun again?

Some TL notes:

p. 162 Fugukichi is the name of the restaurant Kotoko's father own. Just fugu means pufferfish

Itadakimasu = expression of gratitude before meals.

Some SFX are marked with (*)

p. 174 mansion refers the apartament where Irie-kun live.

Hey.

Jinko, Satomi

*heeh

I'm not having headaches over such a low-grade thing

What are you joking about, Kotoko?

It isn't at the level of being difficult...

*Hih

Rather, it s impossible

G y a h a h a h a

Is it difficult to become a nurse?

How many peop e would die through your fault?

Nurse is a job which inf uence people's lives, how could you be able to do that with such a head

*so cruel

"Why", you ask. Did you forget the fact that we were from the F Class!?

Why?

Forget it, I won't ask for your advice anymore

So, why did you think about such a dreadfu thing?

What's with her?

Isn't it alright for me to dream about following the same path as him?

You know, if Irie-kun says he wants to become a doctor,

I want to walk alongside Irie-kun

Irie-kun and me

A doctor and a nurse, huh That's kind of cute

Well, then

I don't really know from where should I start, but I'll begin reading this for now

*Pick's anything

イタズラなKiss ⑧

The pulsation and the heart rate are normal

And I,

Would be the greatest nurse, who would help him out

The surgeon, Irie Naoki

Irie-kun would be like,

Then let's start the surgical operation

yes

Sensei, your sweat

Here

The surgical knife

*Grab

And talking about surgical operations,

*ku ku ku

Or something like that

So, this is read as "Cartilage, enchondral ossification-- Primordial medullary space in the ossification center "

I didn't know that

Well, let's see

Ah, yes Study, study

*Ahem

*Flip

T-This book seems to be particularly difficult,

If I pick this other one,

!!

H Hmm, *The loculus from the cartilage s cell column. "

Well, whatever "The osteoblast c tissue is more advanced than the medu lary cavity * Eh, what s this?

Oh gosh

Even though I don't even know English

It's in a foreign language

Which isn't English

Ah, that one who mixes the medicine

If I can t be a nurse, then Another job in a hospital would be,

Yes, a pharmacist

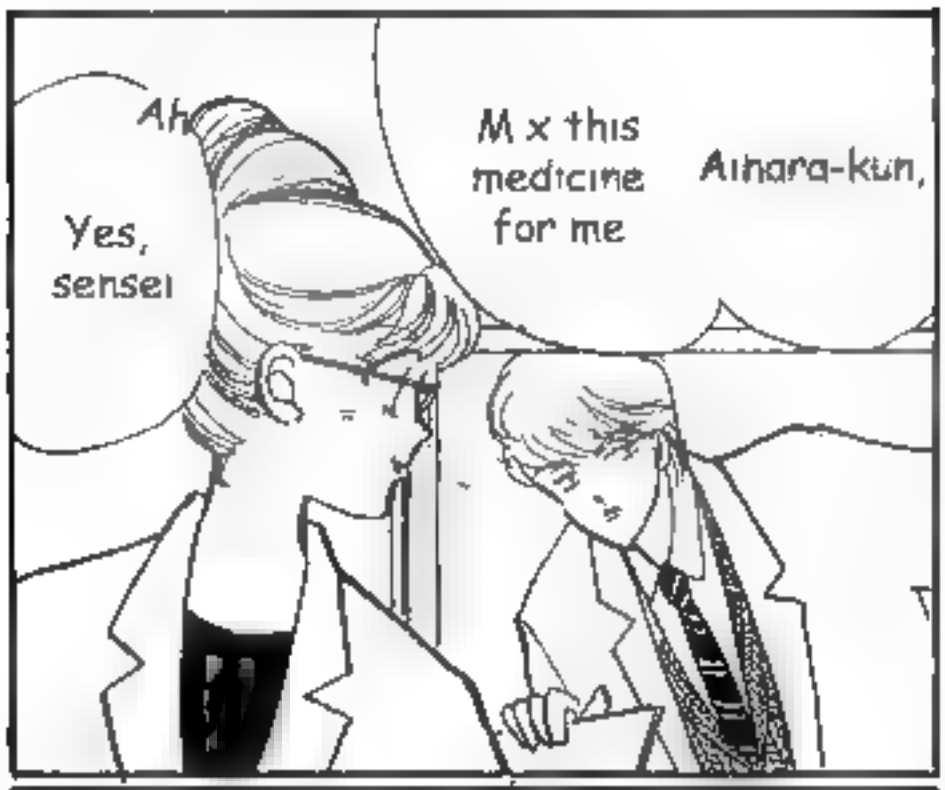
Maybe its really impossible for me to become a nurse

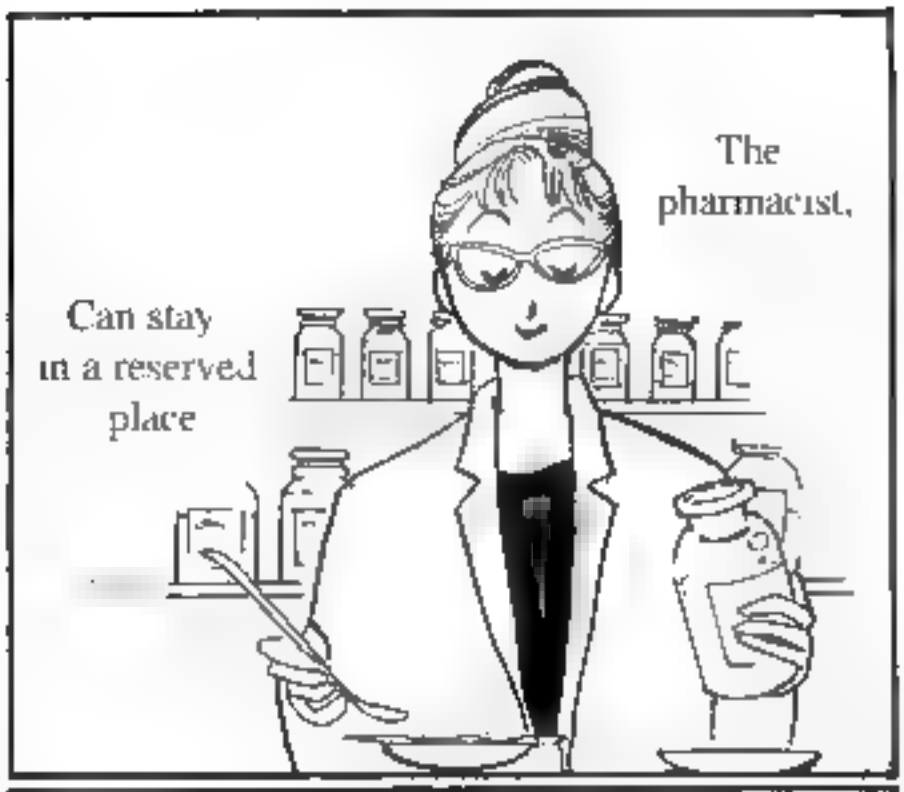
*Shock

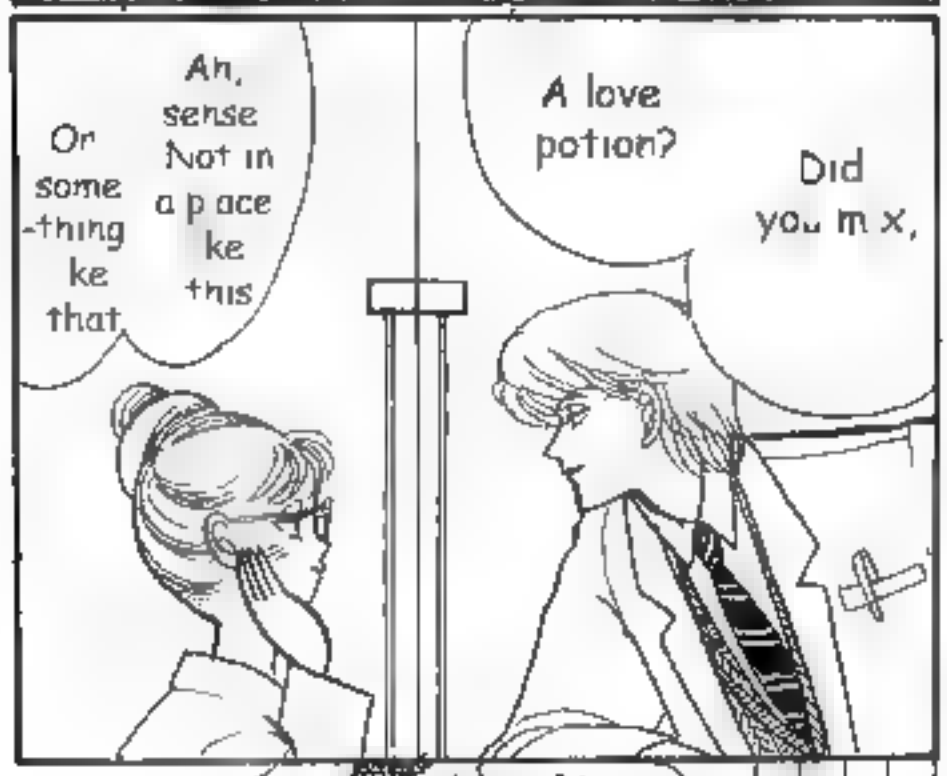
That s right, people are fit for some things and unfit for other things

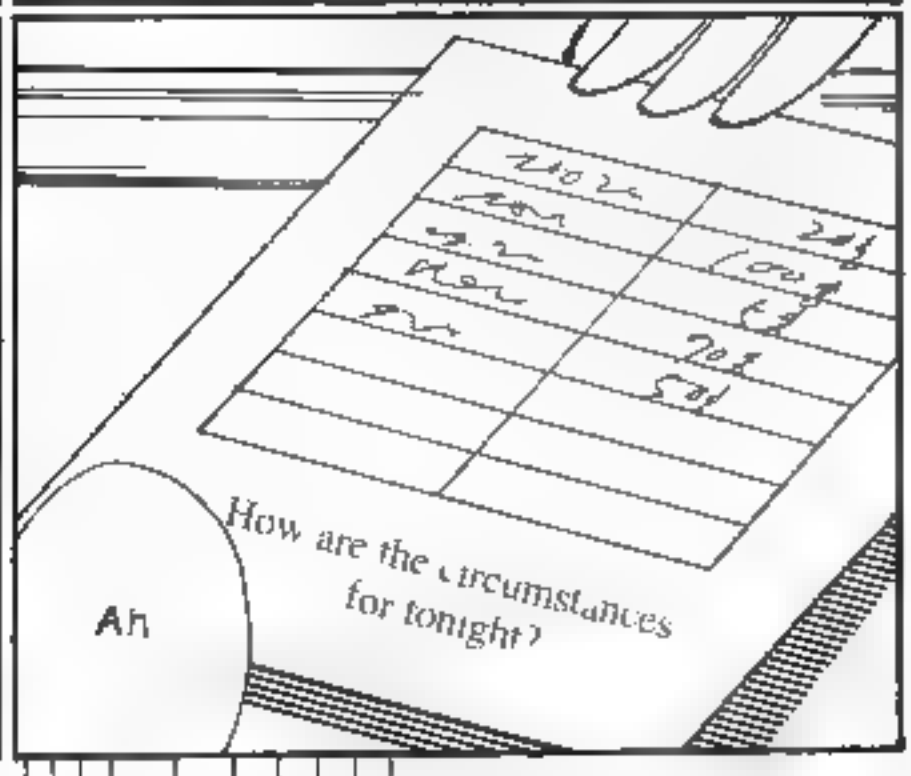
*Shock

イタズラなKiss ⑧









*them

. What is this about ?

"The drug metabolism produces 2 important effects "

**-san, **-san please, go to the account number 4

Speaking of office work

This way I won't have to study difficult things

That s because I have an assistant like you

Sensei's medical operation is magn ficent and has a high reputation

Ahh

Ah

I see

Irie-sensei, please come to the second surgical department

Iri

"The current medicine's progress."

Her own magnat on

My status will be weak if I become an office worker

"The current medicine", "Medicines dictionary."

"Oriental medicine encyclopedia."

Why are you losing your m nd?

Irie-kun

Really, I'm afraid of people who don t even recognize the r dul ness

You're showing your real intent ons

Ah, damn it

Uncertain

T-Th s. It's not ke I was think ng of becoming a nurse.

Uncertain

*Rustle

*Flip

*Flip

This is a useless white elephant to you, right?

Really, I was searching for this book

Pissed off

I m borrowing it

*C atter

Shut up, really

If you're going to a medical university somewhere

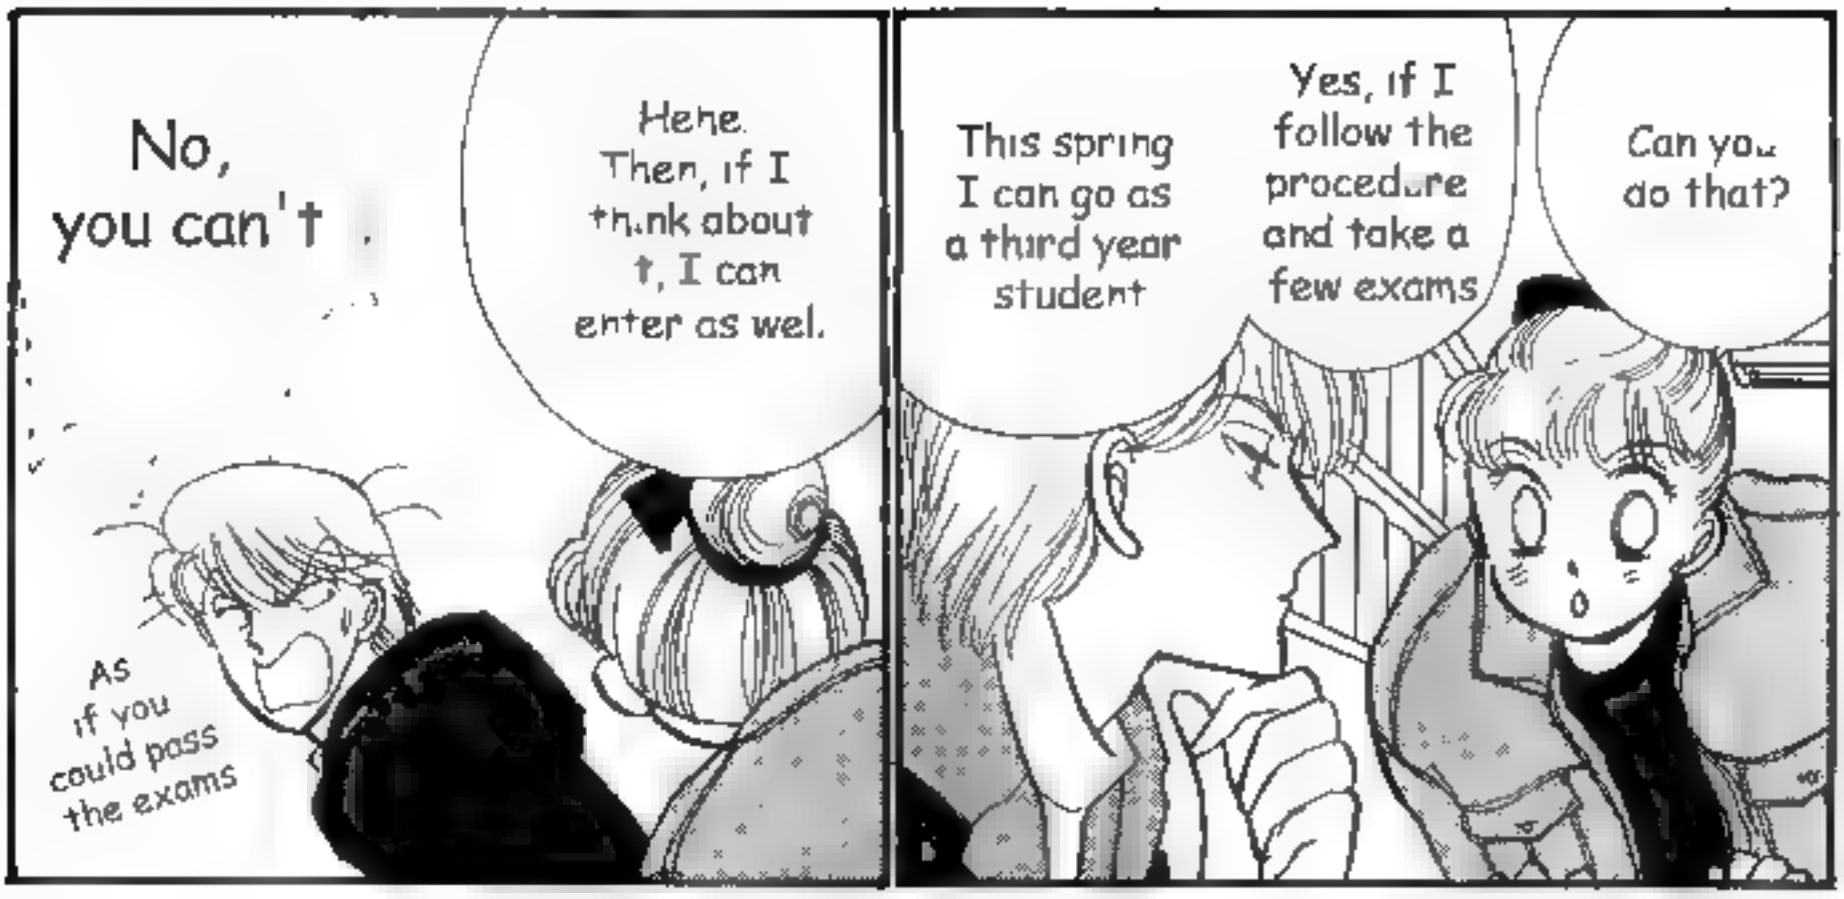
I'm going to be admitted at a medical faculty here

Are you really going to become a doctor?

Hey,

What are you going to do about university?

T-Then,



No, you can't
Hehe. Then, if I think about it, I can enter as wel.
As if you could pass the exams
This spring I can go as a third year student
Yes, if I follow the procedure and take a few exams
Can you do that?

What a detestable guy
Of course. Since I studied, there's no way I won't get a perfect score

Eh?!
Did you already pass them?
I already followed the procedures yesterday

W-Where are you going?
.....
See you sometime
Since you're so noisy, I'm going to borrow and read it

Then, is it alright if you don't report it to Oji-san and Oba-san?
Someday they'll discover it

Whose fault do you think it is for me being so troubled?

Hmph

It's not like I have already,

Given up!

To think that he told his secret only to me

Because of his suggestive behavior,

I thought that maybe he could be telling me to become a nurse

Yuuki

Yuuki-chan

Yuuki loves it, right? Let's eat together with mama

Mama made a de icious bavarois

I see, I'm rel eved

Yes

Hey, s t tasty? Is it?

By the way,

Ahh, why?

You don't have to restrain yourself

I don t need it

Ah, Yuuki, wait. You can eat mama's share as we l

Thanks for the meal

*Thud

*Thud

Wait up, please tell me

You see.. about that

About Onii-chan,

Can't you tell it just to mama?

Ahh

Please! Please tell me

I won't tell

Does Onii-chan really likes Kotoko-chan?

You're so obstinate

*Dash

Because of what you said, mama couldn't even sleep at night

I don't care

Let me go

Just resignate

Huhuhu, I caught you

*Open

I'm ba-

ck

Well, well, confess everything

It hurts

Hurry up and get off!

Nothing really, it was just a practical joke, right, Yuuki?

Hohohohoho. Oh geez, in such a p ace, hohoho

W-What are you doing?

You are b eeding

Waah

This is terrible

Look, it grazed, a an't it?

Oh...

Don't need

Leave it to me!! I'll take care of it.

*Ah

*Slurp

Please let me do it

Yes!! You'll catch that

Tetanus

If you leave it that way, you may catch a t-te. . ta.

Kotoko-chan, you're exaggerating

We have to treat it quickly

It's done

Yeah,

マキロン

*Eh?!

You won't ever become a nurse

It turned out really big, but with this, you'll be alright

Being only an office worker isn't enough

I'll learn it little by little

No, I just have to put it into practice

*The angel in white

*Drag

Nooo~~

*Slam

...?

Then, Yuuki, come talk to mama in that room

Ah.. well, w-what was it again

Ah, yes. It's because Yuuki was being mischievous

Speaking of that, just a while ago, what were you fighting over?

*Impact

!!

*Sigh

Does mama want a cup too?

Ah, that's great

Mama has been sighing a lot lately

Because Yuuki doesn't open his mouth no matter what

*Squeeze

That matter about Naoki liking Kotoko-chan?

Yes, that matter

Is it really true? What Yuuki said

*Slide

And you slapped him with all your strength

And on top of that, since that day, we've been in an awkward situation with Onii-chan. We've been receiving gradually less news from him.

*ku ku ku

But I don't have concrete basis

It would be great if it was true...

And of course, the first time I hit him as well

It was the first time I really fought with Onii-chan

That boy is always cold, and I don't have a clue about what he's thinking

Maybe he even hates me now

That's not possible,

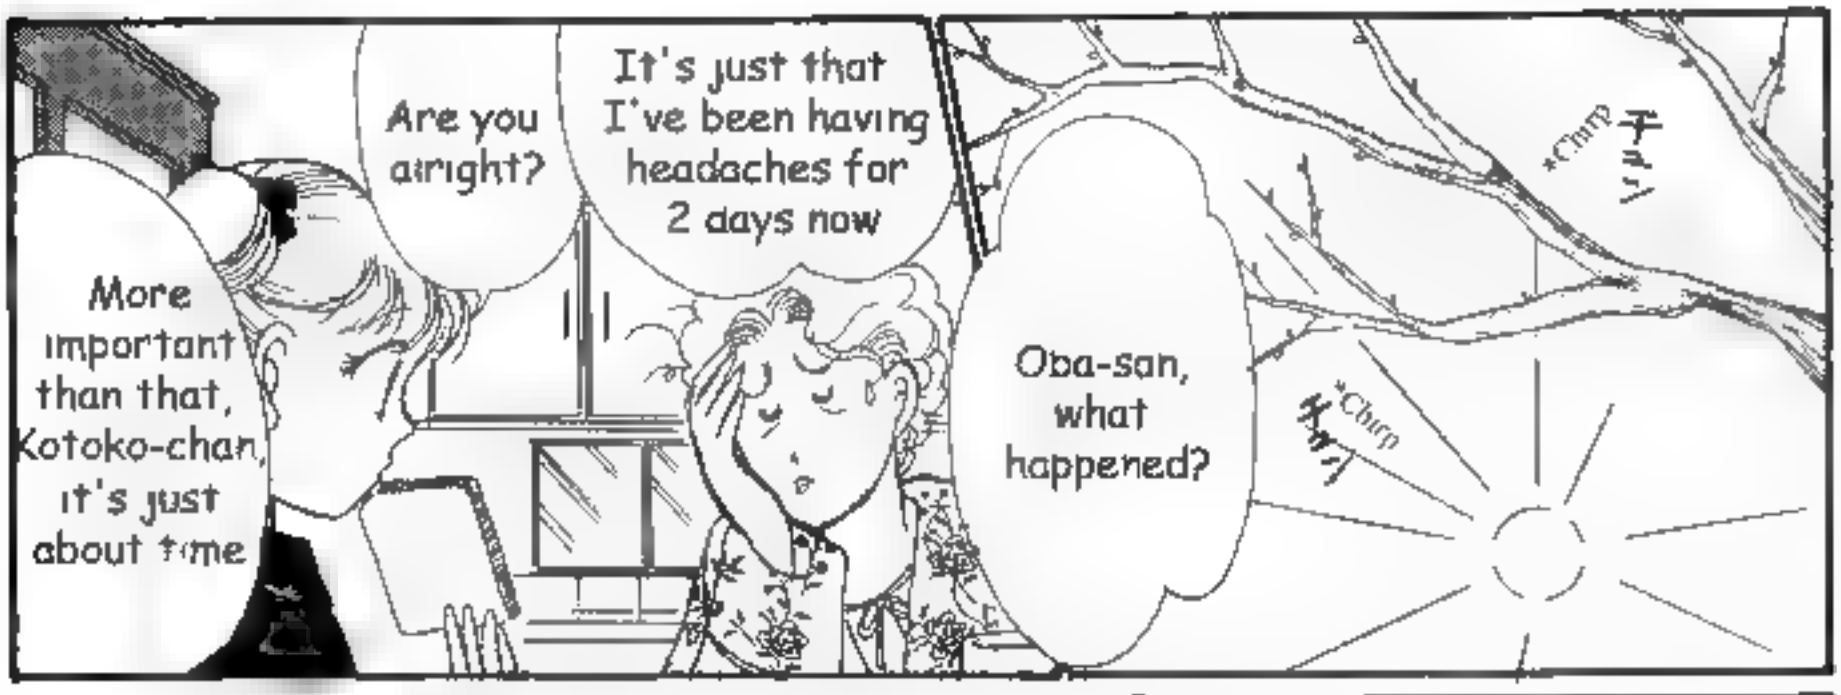
Boys are all like that

When will Onii-chan come back to us?

*Gulp

Ah

Mama, I don't drink that much, ahh



More important than that, Kotoko-chan, it's just about time
Are you alright?
It's just that I've been having headaches for 2 days now
Oba-san, what happened?
*Chirp
*Chirp

Speaking of that, last year, I coulan't give him anything
Try your best this year
Ah, it'll be in 2 weeks, right?

Really, it will be Valentine's Day soon.
Eh?

That's the spirit

He'll have to give in soon

You're right, I've liked him for already 5 years,

This year, settle it for sure

And the year before that, I gave him an incoherent one.

*Congratulations for the success, I'm Koizumi.

Ah, that's wonderful, Kotoko-chan. Do you know how to knit?

How about a sweater?

Not at all.

Oh, that's great

What should I make?

A commemoration for these 5 years, huh

Should I do it, then?

Oh, I see

Why don't you make a scarf? A scarf is easy to knit, 2 weeks will be more than enough

That's wonderful

An... I see. T-Then, I wonder if 2 weeks will be enough

It's dangerous for Kotoko-chan

Is it impossible?

Ah, nothing, nothing

Eh?

And Oni-chan, towards Kotoko-chan.

Kotoko

Yes, yes, take care.

Then, Oba-chan, When we get back, will you teach me how to knit?

Hey, wait

Isn't the restaurant going to be opened later?

You're early

Hm? Good morning

I'm counting on you

I'll rest now

Eh!?

Could you invite Irie-kun to come eat at my restaurant?

Even though I'm out of time. What is it?

Y Yes

You're going to school, right?

*Hit

*Hit

Stand up

Who said you could rest?

Heey,

Hnnh I don't want to die

*Bash

About that, he becomes obstinate and doesn't listen to me when I say I ll pay for it

Let s do a campaing for the debt and have him stop this

Just a minute, can't we do anything about Sudou-san's att tude?

Hmm, maybe this is a "meniscus injury"

*Uwaa

S-stop

Here, it hurts here

What's the problem with Aihara-san?

Sudou-san is strange too but

W-What the hel ?

They're casling her "rescue Aihara"
She's been running around with a first-aid kit for the whole day

Oji-san?

It's because around this time the pufferfishes are tastier.

Maybe I'll go right now

Eh? No way!

I'm going

And puffer fish smells bad

My dad just suddenly thought of that

Ah, but you don't have to go against your will

Then, I'm going to eat

It hasn't ended at all,

Aharaaa, what are you doing?

In such an unnecessary moment

That's right puffer fish is trendy

Really?

Well, maybe that's not something that I should butt in,

But it worried me a little

Of course, your future is important, but you also should cherish your father and your mother

After all, not having Naoki-kun around makes me feel kind of lonely

Well, maybe I said conceited things,

And we can rely on h m

You're right

But you should come to our house once in a while

I just thought that Oji-san had something to talk to me

I thought you would say something like that.

"Could you please marry her?"

What would I say about that fellow?

Eek!

This is nothing, you should be prepared

Ah, you don't have time to feel down, Kotoko-chan

Ah, you skipped over again

Uuhh

This scarf, if I give him this,

What will be Ine-kun's reaction?

Or, as I would think,

Don't need it

Maybe it'll be this

For some reason he's in a suit

How about you worry about your grades instead?

Ahh— What did you say?

You too, aren't you scaring Ir.e-kun by chasing him for perverted things?

And what's with those clothes?

That he's avoiding you?

Isn't because you're being so persistent about Valentine's Day,

Matsumoto older sister

Eek

Anywhere.

He isn't,

Just go there and intrude on

You must know where Irie-kun's mansion is, right?

Why are you becoming faint-hearted? This isn't like you, Kotoko

You're pushy anyways

*Ehh?

I-Is he really avoiding me?

That's quite unusual, for Irie-kun to be absent from university

*Disheartened

イタズラなKiss ⑧

Even the Matsumoto sisters don't know it. This chance is unique

On top of that, the only one who knows his mansion's location is you

*Dumbfounded

Won't he find me really obstinated?

I didn't expect that line coming from your mouth

Ah

We're praying for your good luck this year, see you

Isn't it obvious that we're going on a date now?

Because it's Valentine's Day

You're saying things like a junior high school student

Will you come with me?

And it's all dark

Somehow, I can't remeber it

It has been one whole year

I should turn right.

Uh?

I'm sure that, in this corner

It was snowing really heavily, and Ine kun let me stay at his manston

Ah, that day was Valetine s Day as well

It was an extreme night

I couldn't hand over the chocolate to him but,

There it is!!
